ORDER:

The Administrator-cum-Chief Engineer, Sriramsagar Project, Hyderabad has informed that the superintending Engineer, CCH has submitted the estimate for the work “Repairs to damaged lining and formation of embankment from Km.191.00 to Km.234.00 of Kakatiya main canal” and stated that, since the inauguration of Kakatiya main canal in the year 1983, the maximum discharge passed is only 4000 cusecs as per the records available. In order to pass the designed discharge of 7500 cusecs, the comprehensive estimate is prepared as per the inspection notes of Chief Engineer, Central Design Organization dated:09.08.2015 for all the repairs of Kakatiya main canal from km.191.00 to 234.00. The estimate works out to Rs.63.005 Crore with present SSR 2015-16.

2. The Administrator-cum-Chief Engineer, Sriramasagar Project, Hyderabad has therefore requested the Govt. to arrange for according administrative sanction to the estimate so as to take up all the repairs utilizing the present dry spell to complete all the works so as to pass the designed discharge of 7500 cusecs during the next khariff season.

3. Government after careful examination of the matter hereby accord administrative approval for the work “repairs to structures and damaged portions of CC lining and construction of embankments at slips from Km.191.00 to Km.234.00 of Kakatiya Main Canal SRSP-I” for an amount of Rs.60.65 Crore and accord permission to call short tenders pending Administrative approval and to include a clause in tenders for incentive of 1.0% for agencies who complete the work on scheduled time and 2% additional Penalty including penal action as per the existing tender norms to the defaulters and ratify the action of the Administrator-cum-Chief Engineer, Sriramsagar Project, Hyderabad in having issued the instructions to the Superintending Engineer to call short tenders regarding the work “repairs to structures and damaged portions of CC lining and construction of embankments at slips from Km.191.00 to Km.234.00 of Kakatiya Main Canal SRSP-I”.
